This law will dictate that property taxes will be due to be paid when tax payers go to renew their vehicle tags and would have to be paid in conjunction with the vehicle tax .Mr. Silver feels that it is expedient for the end of the county to have a place for citizens to pay their taxes. Councilman Mark Swaim made a motion that Mr. Silver begin to peruse the details and gather information on this process. The motion was seconded by Councilman Steve Yokeley, the motion passed unanimously.

2. Councilmember's discussed the completion of the basement room. It is agreed that this room can be completed with minimal cost. Painting, floor covering and adding electrical receptacles are a few completions that are needed. Completing this room would have preserve the use of the Chambers.
