

NC 109 Traffic Signal and Turn Lane Project

Addition of traffic signals and a center turn lane on NC 109 from Ray Lanning Rd (SR1729) to Wallburg Rd (SR1730)

The purpose of this postcard is to notify property owners and citizens that the Town of Wallburg is pursuing a small roadway project to add traffic signals and a center turn lane on NC 109 from Ray Lanning Rd to Wallburg Rd. The project will be submitted to the Winston-Salem Metropolitan Planning Organization's Transportation Advisory Committee for funding consideration. The project will be evaluated by MPO Staff and NCDOT along with other projects competing for funding. The TAC will select which projects receive funding based on evaluations and other factors. The project submittal deadline is February 4, 2022 and the TAC Action/project selection will occur on May 17, 2022. **The Town of Wallburg reserves the right to withdraw the project from funding consideration at anytime.**
