

Dear Town of Wallburg resident,

WM is proud to be your new trash and recycling service provider. Beginning February 1, 2022, WM will use trucks with automated collection technology to pick up your trash and recycling weekly. Automated collection with standardized 96-gallon carts is cleaner, more efficient for your community, and safer for residents and drivers.

A 96-gallon trash and 96-gallon recycling cart will be delivered to each household between January 26-31, 2022.

We look forward to serving the Town of Wallburg.

Weekly Trash and Recycling Automated Collection

Two 96-gallon carts will be delivered to each household between January 26-January 31, 2022. Use the green cart with the green lid for trash and the green cart with the yellow lid for recycling. These wheeled carts are sturdy and easy to move to the curb. Lids keep all materials contained and your community cleaner.

Proper cart placement at the curb is important to ensure the truck's automatic arms can lift and empty the carts. Please see the proper cart placement below. Note: beginning February 1, use only the WM 96-gallon carts for trash and recycling. No other containers or materials outside either cart will be collected.

Proper Cart Placement

Place carts at least 3 feet away from all objects including your second cart, mailbox, cars or trees.

The cart should face the street with the wheels of the cart facing your house.

All materials must fit inside the carts with the lids firmly closed - no materials outside the carts will be collected.

Trash and recycling will be picked up weekly on TUESDAY. Please have your carts at the curb before 7 a.m.

Observed 2022 Holidays

WM observes the following holidays. If a holiday falls on or before your collection day, service will be delayed one day for that week only.
